

**THE LEADING EDGE WRITERS' STUDIOS invites you to attend
the "Climb that Mountain!" writers' retreat, November 9-11, 2007**

Like mountain climbers who head for the peaks without the proper equipment, writers unprepared for The Cliffs of Publishing face certain career peril. Fortunately, you needn't pack 'aiders', 'daisy chains', or 'etriers' for *this* ascent; all that's required for your successful 'push-off' is a genuine desire to see your name in print...and a willingness to acquire the 'write' tools. Providing those supplies is the primary goal of THE LEADING EDGE WRITERS' STUDIOS. So sign up today for the 2007 "Climb That Mountain!" weekend writers' retreat...and claim your place at the summit!

THE "CLIMB THAT MOUNTAIN!" SCHEDULE:

Friday, November 9th, 2007

Settle into your quaint and cozy room at Town Hill, and after a culinary-delightful supper, luxuriate with dessert in the parlor, where the only thing warmer than the crackling fire is conversation with fellow writers, agents, and editors.

Saturday, November 10th, 2007

Get plenty of sleep Friday night, because you'll need more energy than even our hearty country breakfast can provide if you're to get all you can from our full day of workshops! (Multi-published authors teach you how they succeeded in the competitive publishing industry.) Following a luscious lunch, agents, editors, e- and self-publisher panelists will discuss tricks of *their* trades. Now we're curious: After your delectable dinner, will you explore the B&B, chat with fellow writers, attend manuscript critiques, or attend your private 20-minute session with the agent or editor of your choice...?*

Sunday, November 11th, 2007

As you're munching a rib-stickin' breakfast, our keynote speaker (TBA) will offer one last bit of 'writing food' for thought. Before you hit the road, gather names and addresses of the friends you've made at Town Hill...and start planning for the 2008 LEADING EDGE WRITERS' STUDIOS weekend writers' retreat!
